

2006 SPLOST

Citizens Advisory Committee

Project Application Form

2006 SPLOST Citizens Advisory Committee Project Application Form

INSTRUCTIONS:

Deadline to submit applications will be **April 28, 2006 at 5:00 p.m.** Review of applications will begin the first meeting after submission.

Please feel free to use more space than what is provided after each question or attach additional sheets if necessary.

Completed forms may be delivered or mailed to:

SPLOST Citizens Advisory Committee
c/o Floyd County Manager's Office
12 East 4th Avenue, Suite 210
Rome, Georgia 30161

or sent by e-mail to poek@floydcountyga.org.

Once an application is submitted, the Citizens Advisory Committee will schedule a meeting so that you may present your project(s) to the committee and be available to answer any questions they may have regarding your proposed project.

Questions concerning completion of the application can be directed to Kevin Poe, County Manager, at (706) 291-5111 or John Bennett, Rome City Manager, at (706) 236-4400.

Proposal for SPLOST Funding

Estimated Total Cost of Project \$_____ (Note: this amount should not include ongoing and maintenance costs).

Proposed amount of funding from SPLOST \$_____

Proposed amount of funding from other sources \$_____

Communities Served/Affected by Project _____

Has this project been submitted previously to another SPLOST Advisory Committee? _____

Additional Comments _____

Signature of Proposer _____ Date _____

Proposal for SPLOST Funding
Attachment A – Detailed Description of Project

Project Title: _____

1. Does your project meet the standards of Georgia Law for SPLOST funding (refer to Georgia Code Sections provided with this package)? _____

2. What is the nature of your project (maintenance, upgrade, new idea)? _____

3. How does this project relate to existing facilities (replace, complement, compete)? _____

4. Do you propose a specific location for your project? Can the need be met in an alternative location in the county? _____

5. Are partnerships (between governments or public-private) required, feasible or proposed for this project? _____

6. Are there other descriptive details you want to share? _____

7. Will this project require any regulatory approvals from Federal, State or Local Governmental Agencies? _____

**Proposal for SPLOST Funding
Attachment B – Project Cost Estimate**

Project Title: _____

1. What are the estimated initial capital costs for this project? Be sure to consider the following areas as potentially relevant costs – property acquisition, infrastructure needs (sewage, roads, grading), construction costs, professional services (architects, engineers, project mangers).

2. How have you arrived at the figures in this section of your proposal? _____

3. What are the ongoing operating costs for this project? _____

4. Will the capital costs for this project be fully met by SPLOST funding alone, or are there partners (local, state, federal, private) in funding? _____

5. What entity will be responsible for the ongoing operating costs brought about by the completion of this project? _____

6. Is SPLOST funding the only route to funding, or are there alternative methods of funding for a project like the one you propose? How have similar projects been funded in Floyd County or elsewhere? _____

Proposal for SPLOST Funding
Attachment C – Communities of Interest/Impact

Project Title: _____

1. How will your proposed project benefit the citizens of our community? _____

2. Which areas will be served by this project? Do you have an estimate for the number of citizens served by this project? If so, how did you arrive at this figure? _____

3. Is your project designed to increase the number of people served and/or designed to improve services to existing clients? _____

4. What are the potential environmental impacts of this project (positive and negative)? _____

5. Are you aware if this project is part of a long term plan (ie. Comprehensive Plan, Transportation Plan, Recreation Plan) that has been adopted for our community? _____

6. (OPTIONAL) Give a brief statement that might be used by an advocate of your proposal to garner public support. _____
